A Complete Guide on How to File Income Tax Return

Submit your social security number or ITIN on the website of IRS to track the status of your income tax return.

The standard time to check your tax return status is 4 weeks after submitting the income tax file by mail and 24 hours after submitting the file online. For electronic filing, the authorities will contact you within 21 days.

Business Taxes | Internal Revenue Service

The form of business you operate determines what taxes you must pay and how you pay them. The following are the five general types of business taxes. All businesses except partnerships must file an annual income tax return. Partnerships file an information return. The form you use depends on how ...
