Elimination of Protein Therapeutics

Chapter: Pharmaceutical Biotechnology: ... Pharmacokinetics of Protein Therapeutics. Protein-based therapeutics are generally subject to the same catabolic pathways as endogenous or dietetic proteins. Elimination of Protein Therapeutics. ... Gastrointestinal Protein Metabolism.

Protein Pharmacokinetics and Metabolism Pharmaceutical ...

How to make the best protein low calorie shake and drink. Fat burning protein (protien) shakes.

Protein Pharmacokinetics and Metabolism

Investigation of the pharmacokinetics and metabolism of human proteins has escalated over the last two decades because of the use of recombinant human proteins as therapeutic agents. In addition, the development and improvement of analytical techniques enabling the detection of minute quantities of proteins in biological matrices have aided this process.

Protein Pharmacokinetics and Metabolism

Investigation of the pharmacokinetics and metabolism of human proteins has escalated over the last two decades because of the use of recombinant human proteins as therapeutic agents. In addition, the development and improvement of analytical techniques enabling the detection of minute quantities of ...

Protein Pharmacokinetics and Metabolism

Library of Congress Cataloging-in-Publication Data Protein pharmacokinetics and metabolism / edited by Bobbe L. Ferraiolo, Marjorie A. Mohler, and Caro. Gloffl A . p. cm. — (Pharmaceutical biotechnology ; v.1) Includes bibliographical references and index.

Although this series no longer publishes new content, the published titles listed below may be still available online (e. g. via the Springer Book Archives) and in print.

Pharmacokinetics and Metabolism

Pharmacokinetics and Metabolism . Non-clinical pharmacokinetic data in rats and monkeys suggest minimal systemic absorption of rhDNase I following aerosol inhalation of clinically-equivalent doses. rhDNase I is cleared from the systemic circulation without any accumulation in tissues following acute exposure (Green, 1994).
